Letter of Recommendation for Michael Martino and World Beatnix

March 14, 2015

To Whom It May Concern:

It is with great pleasure and honor for the Nevada City Chinese Lunar New Year Festival and Parade¹ to recommend Michael Martino and World Beatnix, that performed at our recent event on March 8, 2015, at the Robinson Plaza in Nevada City, California. Their world music was both electrifying and entertaining and added much to this family-friendly event. We would not hesitate to have them back again next year.

Please contact me at info@catsweb.org if you have any questions regarding Michael Martino and World Beatnix.

Sincerely,
Jeannie Wood
